Cutting a figure like no other, Irene-5H ceiling-mount fan, is rustic, yet strikingly modern with five neatly joined, solid walnut-toned wooden blades. A cylindrical motor housing complements its minimal profile. Irene-5H is streamline while still appearing warm and natural.

- Five solid wood, walnut-toned machine-cut blades in 42", 52" or 60" diameter.
- Damp location finishes: brushed brass, brushed nickel, polished chrome, textured bronze, matte black, and gloss white.
- Energy efficient, ultra-quiet, six-speed and reversible DC motor with new, reliable technology.
- Reverse on hand-held, wall mountable remote control.
- Constructed of cast aluminum and heavy stamped steel.
- Limited Lifetime Warranty
